 12 also known as John James STEWART,) **COMPLAINT FOR PROVISIONAL ARREST**
 13 .) **WARRANT WITH A VIEW TOWARDS**
 14) **EXTRADITION (18 U.S.C. § 3184)**
 15) **UNDER SEAL**

16 I, the undersigned Assistant United States Attorney, being duly sworn, state on information
 17 and belief that the following is true and correct:

18 1. There is an Extradition Treaty, as amended by Protocols, in force between the United States
 19 and Canada, 27 UST 983, TIAS 8237;

20 2. The Treaty provides in Article 11 for the provisional arrest and detention of alleged fugitives
 21 pending the submission of a formal request and supporting documents;

22 3. In accordance with Article 11 of the Treaty, the Government of Canada has asked the United
 23 States for the provisional arrest of Wilbur James VENTLING, also known as John James STEWART,
 24 with a view toward extradition;

25 4. According to the Information provided by the requesting state in the form authorized by the
 26 Treaty, VENTLING is charged with one count of Rape, in violation of section 144 of the Criminal
 Code of Canada, and one count of Causing Bodily Harm with Intent to Wound, in violation of section
 228 of the Criminal Code of Canada, all committed within the jurisdiction of Vernon, British

1 Columbia, Canada, and a warrant for his arrest was issued on June 5, 2007, by a Justice of the Peace
2 in and for the Province of British Columbia (both attached hereto as Exhibit 1);

3 5. The warrant was issued on the basis of the following facts:

4 The Royal Canadian Mounted Police (RCMP) in Vernon, British Columbia, Canada, has
5 been investigating a complaint of a sexual assault on a nine year old female on May 27, 1979, in
6 the City of Vernon, British Columbia, Canada. An outline of the reported alleged incident follows
7 (the information below is from the Canadian police reports prepared by the investigating officers,
8 and statements given by the witnesses):

9 On May 27, 1979, Tavin Christine SOMERSET, who was nine years old, was lured by a
10 male (who was a stranger to her) to a wooded area in Vernon, B.C. The male sexually assaulted
11 SOMERSET by forcing vaginal intercourse. SOMERSET sustained serious vaginal injuries as a
12 result of the sexual assault. The male fled the scene.

13 A suspect by the name of John James STEWART was identified as a suspect in a series of
14 seven similar assaults in the Calgary, Alberta area. Around this same time there were two similar
15 offences in Enderby and Kamloops, British Columbia. Thus, there were a total of 10 offences that
16 are believed to have been committed by STEWART between July 1, 1978 and July 16, 1979,
17 involving females between the age of 5 and 13.

18 On September 8, 1979, STEWART was arrested in Taber, Alberta, in relation to the
19 Calgary investigation. He was found to have several different identifications on him. His
20 fingerprints were taken and he was remanded for a psychiatric examination. On September 18,
21 1979, STEWART escaped from the psychiatric facility he was being held at in Alberta and fled to
22 the United States of America.

23 The fingerprints obtained from "STEWART" showed that STEWART was actually Wilbur
24 James VENTLING. VENTLING was, at the time, unlawfully at large following an escape from a
25 psychiatric hospital in Colorado on May 9, 1978. VENTLING had, at the time, a criminal record

1 for burglary, robbery, crime against children, kidnapping, rape, sexual assault on a child, menacing
2 and assault.

3 On October 23, 1979, VENTLING was arrested in Las Vegas on charges of kidnaping,
4 lewdness with a minor under 14 years and attempt sexual assault. On February 11, 1980,
5 VENTLING pleaded guilty to two counts of lewdness with a minor and one count of attempted
6 sexual assault. He was sentenced to 40 years at the Carson City State Penitentiary. VENTLING
7 successfully appealed one of the sentences and was subsequently released in September of 1997.

8 VENTLING is currently classified a registered sex offender in Nevada.

9 On March 11, 2003, Constable (Cst.) JOHNSTON of the Vernon RCMP General
10 Investigation Section forwarded several exhibits to the forensic laboratory for examination to
11 attempt to obtain a DNA profile of the offender. Specifically, Cst. JOHNSTON forwarded the
12 blouse and slacks that were seized from SOMERSET when she attended the hospital after the
13 assault (item A and B), a vaginal swab from the victim's vagina taken by Dr. SPILLER during the
14 medical exam following the assault (item E), the victim's wool sweater which was recovered at the
15 scene (Item G), and two samples of blood soaked grass from the scene (Items L and M).

16 Howard KALYN of the Biology Section of the RCMP Forensic Laboratory prepared a
17 report dated June 28, 2004, pertaining to his examination of the exhibits from Vernon RCMP file
18 1979-7377 (which is the file number for the investigation into the sexual assault of SOMERSET).
19 This report stated in summary the following:

20 a. Exhibit Items A (blouse), B (slacks), E (vaginal swab and blood clot), G (red
21 sweater), L (grass and leaf) and M (grass) were examined in order to generate DNA
22 typing profiles.

23 b. Blood from exhibit Item E (vaginal swab and blood clot) was taken to be the known
24 sample of Tavin SOMERSET.

- 1 c. The DNA typing profiles obtained from the inside left arm of Exhibit Item G (red
2 sweater) and L (grass and leaf) match that of the profile obtained from the known
3 sample of SOMERSET (from Exhibit Item E).
- 4 d. The DNA typing profiles obtained from the inside crotch of Exhibit Item B (slacks)
5 and the outside front and inside front of Exhibit Item G (red sweater) are of mixed
6 origin consistent with having originated from two individuals. The male
7 components of the DNA typing profiles obtained from these exhibits match one
8 another and are consistent with having originated from an unknown male
9 individual. This profile has been personally designated as Male 1. The estimated
10 probability of selecting an unrelated individual at random from the Canadian
11 Caucasian population with the same profile is 1 in 42 billion. The female
12 components of the DNA typing profiles obtained from these exhibits match the
13 DNA profile obtained from the known sample of SOMERSET (from exhibit Item
14 E). The estimated probability of selecting an unrelated individual at random from
15 the Canadian Caucasian population with the same profile is 1 in 170 trillion.
- 16 e. The DNA typing profiles obtained from the outside of side two of Exhibit Item A
17 (blouse) are of mixed origin consistent with having originated from two
18 individuals. The male components of the DNA typing profiles obtained from these
19 exhibits match the Male 1 DNA profile. The estimated probability of selecting an
20 unrelated individual at random from the Canadian Caucasian population with the
21 same profile is 1 in 42 billion.

22 On January 19, 2005, Christine CROSSMAN of the RCMP Forensic Laboratory forwarded
23 to Interpol a request for a DNA profile search pertaining to the DNA profile of Male 1 from
24 Exhibit Item B of Vernon RCMP file 1979-7377 (which is the file number for the investigation
25 into the sexual assault of SOMERSET).

26

1 Jeffrey RIOLO, a Senior Criminalist with the Washoe County Sheriff's Office Forensic
 2 Science Division, reported on February 7, 2005, a keyboard search of the State of Nevada DNA
 3 Database showed a match between the DNA profile from the RCMP Sample # 1979-7377/Ex.B
 4 (Male 1) and Nevada convicted offender Wilbur VENTLING who has a date of birth of December
 5 10, 1944. Mr. Riolo further states an evidentiary sample of DNA from Wilbur Ventling will be
 6 required to confirm the match.

7 Wilbur James VENTLING, also known as John James STEWART, is described as a male,
 8 with brown eyes and brown hair. He was born on December 10, 1944, in Los Angeles, California.
 9 He stands approximately 182 cm tall, and weighs approximately 95 kg. The requesting country
 10 provided a copy of an arrest photograph of VENTLING and his fingerprints, both attached hereto
 11 as Exhibit 2, with the extradition materials.

12 6. The requesting country has indicated that there are urgent circumstances that warrant
 13 VENTLING's provisional arrest. Specifically, VENTLING is currently classed as a Tier Level 2
 14 Convicted Sexual Offender by the Nevada Department of Public Safety. The definition of Tier
 15 Level 2 is a convicted sex offender who is assessed as posing a probable risk of recidivism and
 16 threat to public safety. In addition to the alias "John James STEWART", VENTLING's criminal
 17 record indicates that his alias names include: Dennis Arkman, Wilburn Hamilton, and Wilbur
 18 James Schwope. VENTLING's criminal record includes the following related offenses:

- 19 • Crimes Against Children (1971, Norwalk, California)
- 20 • Kidnaping (1973, Denver, Colorado)
- 21 • Rape, 2nd degree kidnapping, sexual assault on a child and menacing (1974, Pueblo,
 Colorado)
- 22 • Kidnaping and Sexual Assault (1977, Colorado Springs, Colorado)
- 23 • Two counts 2nd degree kidnaping, two counts lewdness with a minor, attempted
 sexual assault, (1979, Las Vegas, Nevada)

24 Given VENTLING's past history escaping from the Colorado and Calgary psychiatric
 25

1 facilities and fleeing Canada to evade prosecution on these charges, it is reasonable to expect he
2 will flee when he knows a DNA sample has been taken from him for evidentiary purposes for
3 these charges (the Canadians have made this request separately). Further, VENTLING has a
4 history of using aliases and false identities which would make locating him difficult.

5 7. The offenses with which Wilbur James VENTLING, also known as John James
6 STEWART, is charged are provided for in Article 2 of the Extradition Treaty, as amended by the
7 Protocols, cited above, and are reflected in the Information by Indictment attached hereto as
8 Exhibit 1;

9 8. Wilbur James VENTLING, also known as John James STEWART may be found within
10 the jurisdiction of this court, specifically, 4708 August Drive, Carson City, Nevada;

11 9. The requesting state has represented that it will submit a formal request for extradition,
12 supported by the documents specified in the Treaty, within 60 days, as required by Article 11 of
13 the Extradition Treaty, as amended by the Protocols.

14 WHEREFORE, the undersigned complainant requests that a warrant for the arrest of the
15 aforesigned person be issued in accordance with Title 18, United States Code, Section 3184, and
16 the Extradition Treaty between the United States and Canada, as amended by its Protocols.

17 DATED this 26th day of September, 2007.
